

MORE LIKE JESUS

Who we are

We are a group of people who are passionate about worshipping God and serving our local community. Our parish has a vibrant heritage within the Church of Ireland Diocese of Down and Dromore.

What we believe

We believe that God loves us, gave his Son for us, has an amazing plan for our lives and wants us to serve him every day in all that we do.

What we do

Supporting each other and reaching out together, we seek to show God's love in action.

Where we're going

We want to see people of all ages, from all backgrounds and beliefs becoming More Like Jesus.

Welcome

Maybe you are new to the area, have never been to Church before, or perhaps you are looking for somewhere to feel at home. Be assured of a warm welcome as together we seek to be More Like Jesus.

Worship

We seek to worship God in relevant and creative ways through quiet prayer, contemporary and traditional music or simply taking the time to be still.

We love to see people of all ages at our services and seek to remind children, teenagers and adults, young and old, of their importance by making sure no-one is left out.

With at least three services every Sunday there really is something for everyone here in the Parish of Magheralin.

Weekdays

We believe that the Church is more than just Sunday services. Our Church family meets together regularly in homes, in organisations and across the community to learn, encourage and serve one another.

From uniformed youth organisations to sports clubs, from prayer meetings to drop-in centres, there is sure to be something for you. If you would like more information please contact us or pick up a leaflet in church.

We would love to see you at our midweek activities so please come along.

World

We want to fulfil Christ's commission to go into the world and make disciples of all nations. We feel compelled to serve our community through Love Your Neighbourhood, offer food and friendship through Manna Ministry, support local young people at the Red Door, and provide relief from debt via Christians Against Poverty. Our community programmes are being further developed and coordinated within a Caring Association.

Whether on our doorstep, or across the globe in partnership with other mission agencies, we want to show the love of God in real and practical ways.

Please let us know if we can help you in any way.
